Our Philosophy

We, at the preschool of Grandin Court Baptist Church, seek to provide an atmosphere of nurture, support, and affirmation for pre-kindergarten children. Our main purpose is to foster an understanding and appreciation of God's presence in nature and in each child's life. We seek to fulfill this purpose through our curriculum and through the loving example of teachers and staff.

Our program is not primarily or specifically academic. Rather, we desire to foster the development of a healthy self-esteem and wholesome relationships to all of God's creation. Our curriculum is designed to prepare children for kindergarten socially, mentally, physically, and spiritually in a fun environment. We believe that preschoolers learn through play. We encourage children to have fun while they are at school and we delight with them in their discoveries.

Our Curriculum

Grandin Court Baptist Preschool provides a relaxed learning environment in which a child can live, learn, and grow in a world his/her own size. The curriculum provides opportunities for units of study in the areas of interest and needs that are most universal in young children.
